

Laser Alleys After School Bowling Program

Dear Parent,

We are excited to announce that the Winter After School Bowling Program is soon beginning! The program is for students in grades 2 through 6. This program will run for 12 weeks starting:

- **Monday January 23rd, 2017**

Format: Each week, all children will bowl approximately 2 games. Our coaching staff will be there to assist and watch over all the children each week. They will be on the bus and at the center with them at all times. We will place the kids on teams of **3 or 4** depending on the number of kids that sign up for the program. **Laser Alleys will be responsible for your child at all times. Staff involved with the After School Bowling Program, have received their Act 114 clearances.**

Transportation: Friendly bus drivers will be at the school to pick your child up at dismissal time and transport them to the center. **Parents will be responsible for picking their child/children up at Laser Alleys at the conclusion of the bowling program.** The pick-up time will be 5:15 PM. You will be required to sign your child out at the front counter.

Registration: There is an **\$8.50 registration fee** to enroll your child AND an \$8.00 weekly bowling fee. The registration fee plus \$8.00 for the first week is to be mailed to Laser Alleys or dropped off at the school office. **Checks should be made payable to Laser Alleys.** Program enrollment is limited. We kindly ask that you sign your child up as soon as possible.

Week #1: The first week we will send home envelopes with the children for each week's \$8.00 payment. These envelopes will be collected by our coaches at the school. You may send a couple of extra dollars each week for your child to enjoy snacks and treats from our snack bar. A copy of our After School Bowling Program menu is available to view online at www.laseralleys.com by clicking on the "After School Bowling Program" tab. Our staff will sort and distribute their extra money each week.

Incentives: Some weeks we will have an incentive for the youth. These will include different kinds of prizes the kids can earn. The weekly incentives will be listed by date on the schedule. In addition to the weekly incentives, we will also have awards for achievements at the end of the season. All youth will receive a trophy and there will be a Hot Dog party the last week of the program.

As a way to show our appreciation for allowing your child to participate in our bowling program, we will donate a portion of the \$8.00 weekly fee to the school's Student Activity Fund.
