

Starting New At Golf

Presented by: York Indoor Golf & Training Center

Thursdays 3:00 – 3:45 Oct 18 – Nov 29

St. Patrick After School Introductory Golf Program

Pre-Registration Due Date: October 15, 2018 •• Cost: \$75

6 Classes (No Class on Thursday, November 22)

Future Stars Golf is a youth development program for children in Kindergarten through 6th grade. Classes focus on fundamental movement skills and introduce golf skills through the use of SNAG Golf equipment.

SNAG (Starting New At Golf) Golf equipment teaches the basic elements of golf in a fun and modified form. The fundamentals are combined in an enjoyable, understandable and active class. The system builds on strong fundamentals of putting, chipping, pitching and full swing to develop playing ability quickly and effectively.

Children are introduced to the following golf skills:

- Grip - Holding the club correctly
- Stance - Standing in athletic position with feet on correct side of the ball
- Balance - Finishing the swing in a balanced position
- Swing - Swinging the club in a circular motion around the body to a balanced finish

Thank you!
