

RONALD McDONALD HOUSE CHARITIES

For the **13th consecutive year**, we will be collecting toys and monetary donations to benefit the Ronald McDonald House Charities in Hershey, PA. This special toy drive is in memory of **Jacob Gurreri**, a five year-old who suddenly passed away in 2005. Our family had the opportunity to experience just how special the Ronald McDonald House is to our community.

This charity allows families to eat and sleep, free of charge, throughout a child's stay at the Children's Hospital. Having a "home away from home" relieves some of the burden that these families deal with during such a special time of the year.

This drive will begin **November 27th** and end on **December 17th**. The donations will be delivered soon after, thus allowing the families to hand pick specific toys for their children. Together we can help make this holiday season a little brighter for the families staying at the Ronald McDonald House.
